Founder's Note

Welcome to Sunset BnB!

Sunset BnB started with a simple idea. Create a place where a business traveler can walk in after a long, tiring day and instantly feel at ease. Clean rooms, quiet comfort, thoughtful details, and service that feels like home.

Over time, that standard became our identity. Today, our guests rate us 9.5 across Booking.com and Google, and what we value even more is trust. With 98 percent guest retention, most of our bookings come through referrals from guests who return and recommend us to others. We're also grateful to already be trusted by 80-plus corporate organizations for their guest accommodations.

But Sunset BnB was never meant to be only about hospitality. From the beginning, we built it with a purpose beyond rooms and reservations. A meaningful share of our profits supports Rabia Sanctuary, a home for orphans, along with other charitable initiatives.

We appreciate the opportunity to partner with your organization and look forward to welcoming your guests in 2026.

Sincerely,
